

43222 Le château Disney

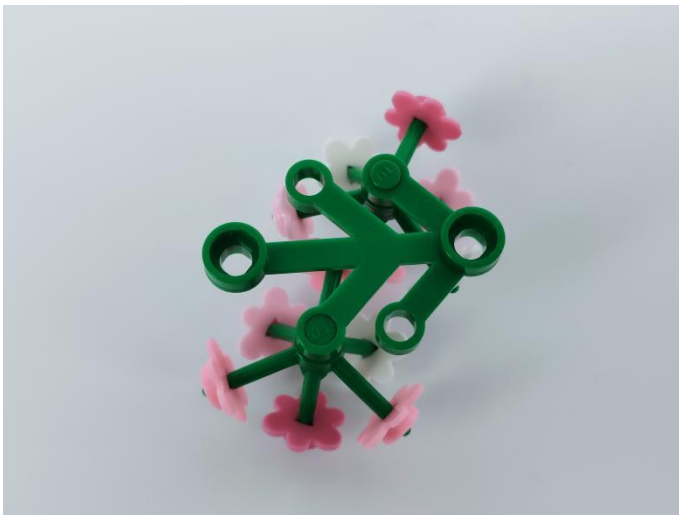

Mise en place des composants suivant les instructions.

1. Sortez les blocs de construction de l'image et combinez-les ensemble, accumulant un total de 187 combinaisons. L'ordre dans lequel les fleurs sont fixées sur les branches de fleurs peut être déterminé par soi-même, sans aucune régularité.

2.Retirez les blocs de construction de l'image et combinez-les ensemble, accumulant un total de 73 combinaisons.

3. Sortez les blocs de construction de l'image et assemblez-les un par un, accumulant un total de 15 combinaisons.
