Increases brightness

☀️ -: Brightness+: Increases brightness

**Good job, you've done all the installation steps, power it up and enjoy your work.**

The battery box can also power the set. If it is necessary to change the power supply , prepare three aaa batteries, install them in the battery box, turn on the switch on the battery box, remove the plug of the usb power cable from the socket of the expansion board,plug the plug of the battery box to the same socket in the expansion board to power the suit as well.

**THANKS**

## **Tips**

If you encounter any installation problems please contact the seller, we will be happy to help you solve!
