**The lighting in this demonstration is a sample, please take the actual product as the main product.**

There are 5 bags of this product, and the AA battery box is a gift. (Without battery)

Take out the accessories inside (accessories include: AA battery box, 50cm USB power cord). The following power supply methods use mobile power, equipped with a USB power cord, and the battery box (battery self-supplied) can be used by yourself.

Take out the AA battery box.

Install 3 AA batteries (note the positive and negative poles).

The lighting shines normally (if the lighting does not work properly, please contact us in time).

Return to the front position of the building block assembly.

The installation is complete.
